OLIVE RESOURCE CAPITAL INC.

NOTICE OF ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS

Notice is hereby given that an annual and special meeting (the “**Meeting**”) of the shareholders (“**Shareholders**”) of Olive Resource Capital Inc. (the “**Corporation**”) will be held at 90 Adelaide St West, Suite 802, Toronto, ON, M5H 3V9 on September 25, 2024 at 11:00 a.m. (EDT), for the following purposes:

1. to receive and consider the financial statements of the Corporation for the financial year ended December 31, 2023 and the report of the auditors thereon;
2. to appoint McGovern Hurley LLP, Chartered Accountants as the auditors of the Corporation for the ensuing year and to authorize the directors to fix their remuneration;
3. to elect the directors of the Corporation for the ensuing year;
4. to consider and, if deemed advisable, to pass, with or without variation, an ordinary resolution to approve, for the ensuing year, the Corporation’s long-term performance incentive plan last approved by the Shareholders on July 12, 2023; and
5. to transact such other business as may properly come before the Meeting or any adjournments or postponements thereof.

The nature of the business to be transacted at the Meeting is described in further detail in the accompanying management information circular of the Corporation (the “**Circular**”) under the section entitled *Matters to be Acted Upon*.

The record date for the determination of Shareholders entitled to receive notice of, and to vote at, the Meeting or any adjournments or postponements thereof is August 9, 2024 (the “**Record Date**”). Shareholders whose names have been entered in the register of Shareholders at the close of business on the Record Date will be entitled to receive notice of, and to vote at, the Meeting or any adjournments or postponements thereof.

In an effort to mitigate the risks associated with COVID-19, and to preserve the health and safety of our communities, Shareholders, employees and other stakeholders, we are inviting Shareholders to participate in the Meeting by dialling in to our conference line at: 1-866-365-4406 (North America – Toll Free) or 647-723-3984 (Toronto, ON), followed by the Participant Access Code 8487744#. Participants should dial in at least 10 minutes prior to the scheduled start time and ask to join the call. Shareholders will have an equal opportunity to participate at the Meeting through this method regardless of their geographic location. We encourage Shareholders to not attend the meeting in person due to risks related to COVID-19. We will also take additional precautionary measures in relation to the physical Meeting, limiting access to essential personnel, registered Shareholders and proxy holders entitled to attend and vote at the Meeting. Shareholders cannot vote their common shares at the Meeting if attending via teleconference and must either vote prior to the Meeting or attend the Meeting in person in order to have their vote cast. We highly recommend Shareholders vote their Common Shares prior to the meeting.

All Shareholders are invited to attend the Meeting and may attend in person or may be represented by proxy. A “beneficial” or “non-registered” Shareholder will not be recognized directly at the Meeting for the purposes of voting common shares registered in the name of his/her/its broker; however, a beneficial Shareholder may attend the Meeting as proxyholder for the registered Shareholder and vote the common shares in that capacity. Only Shareholders as of the Record Date are entitled to receive notice of and vote at the Meeting. Shareholders who are unable to attend the Meeting in person, or any adjournments or postponements thereof, are requested to complete, date and sign the enclosed form of proxy (registered holders) or voting instruction form (beneficial holders) and return it in the envelope provided. To be effective, the enclosed form of proxy or voting instruction form must be mailed or faxed so as to reach or be deposited at Marrelli Trust Company Limited, c/o Marrelli Transfer Services Corp., (in the case of registered holders) at 82 Richmond St. E, Toronto, Ontario M5C 1P1, Attn: Proxy Department, Fax: 416-360-7812, not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournments or postponements thereof. Proxies may also be voted online at www.voteproxy.ca.

NOTICE-AND-ACCESS

Notice is also hereby given that the Corporation has decided to use the notice-and-access method of delivery of meeting materials for the Meeting for beneficial owners of common shares of the Corporation (the "**Non-Registered Holders**") and for registered shareholders. The notice-and-access method of delivery of meeting materials allows the Corporation to deliver the meeting materials over the internet in accordance with the notice-and-access rules adopted by the Ontario Securities Commission under National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer*. Under the notice-and-access system, registered shareholders will receive a form of proxy and the Non-Registered Holders will receive a voting instruction form enabling them to vote at the Meeting. However, instead of a paper copy of the notice of Meeting, the management information circular, and related management's discussion and analysis and other meeting materials, if applicable (collectively the "**Meeting Materials**"), shareholders receive a notification with information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and will also reduce the cost of printing and mailing the Meeting Materials to shareholders. Shareholders are reminded to view the Meeting Materials prior to voting. The Corporation will not be adopting stratification procedures in relation to the use of notice-and access provisions.

How to Obtain Paper Copies of the Meeting Materials

MANAGEMENT INFORMATION CIRCULAR**

GENERAL INFORMATION RESPECTING THE MEETING

Solicitation of Proxies

This management information circular of the Corporation (the “Circular”) is furnished in connection with the solicitation of proxies by the management of Olive Resource Capital Inc. (the “Corporation”) for use at the annual and special meeting (the “Meeting”) of the shareholders (the “Shareholders”) of the Corporation to be held at 11:00 a.m. (Toronto time) on September 25, 2024, at 90 Adelaide St West, Suite 802, Toronto, ON. M5H 3V9 for the purposes set forth in the accompanying Notice of Annual and Special Meeting of Shareholders (the “Notice”). References in the Circular to the Meeting include any adjournment(s) or postponement(s) thereof. It is expected that the solicitation of proxies will be primarily by mail, however, proxies may also be solicited by the officers, directors and employees of the Corporation by telephone, electronic mail, telecopier or personally. These persons will receive no compensation for such solicitation other than their regular fees or salaries. The cost of soliciting proxies in connection with the Meeting will be borne directly by the Corporation.

The board of directors of the Corporation (the “Board” or the “Board of Directors”) has fixed the close of business on August 9, 2024 as the record date, being the date for the determination of the registered Shareholders entitled to receive notice of, and to vote at, the Meeting. The Board has resolved that duly completed and executed proxies must be received by the Corporation’s registrar and transfer agent, Marrelli Trust Company Limited (“Marrelli Trust”), 82 Richmond St. E, Toronto, Ontario M5C 1P1, Fax: 416-360-7812 or online at www.voteproxy.ca, not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournments or postponements thereof.

In this Circular, unless otherwise indicated, all dollar amounts “\$” are expressed in Canadian dollars.

Unless otherwise stated, the information contained in this Circular is current as of August 9, 2024.

Notice-And-Access

The Corporation has elected to use the notice-and-access process (“Notice-and-Access”) that came into effect on February 11, 2013 under NI 54-101 – Communications with Beneficial Owners of Securities of a Reporting Issuer (“NI 54-101”) and National Instrument 51-102 – Continuous Disclosure Obligations, for distribution of this Circular and other meeting materials to registered Shareholders of the Corporation and Non-Registered Holders (as defined herein).

Notice-and-Access allows issuers to post electronic versions of meeting materials, including circulars, annual financial statements and management discussion and analysis, online, via SEDAR and one other website, rather than mailing paper copies of such meeting materials to Shareholders. The Corporation anticipates that utilizing the Notice-and-Access process will substantially reduce both postage and printing costs.

Meeting materials including the Circular and the Corporation’s audited financial statements for the years ended December 31, 2023 and 2022 and the Corporation’s management discussion and analysis for the years ended December 31, 2023 and 2022 are available on the Corporation’s SEDAR profile at www.sedar.com and on the website of the Corporation’s transfer agent at www.olive-resource.com/AGM2024/.

Although the Circular and related materials (collectively, the “Meeting Materials”) will be posted electronically online, as noted above, the registered Shareholders and Non-Registered Holders (subject to the provisions set out below under the heading “Notice to Beneficial Holders of Shares”) will receive a “notice package” (the “Notice-and-Access Notification”), by prepaid mail, which includes the information prescribed by NI 54-101, and a proxy form or voting instruction form from their respective intermediaries. Shareholders should follow the instructions for completion and delivery contained in the proxy or voting instruction form. Shareholders are reminded to review the Circular before voting.

Shareholders will not receive a paper copy of the Meeting Materials unless they request paper copies from the Corporation's transfer agent. Shareholders who wish to request paper copies or who have questions regarding Notice and Access may contact the Corporation's registrar and transfer agent, Marrelli Trust at 1-844-682-5888 or info@marrellitrust.ca.

Voting of Proxies

The common shares in the capital stock of the Corporation ("**Common Shares**") represented by the form of proxy delivered to registered Shareholders (if same is properly executed and is received at the offices of Marrelli Trust at the address provided herein, not later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournment(s) or postponement(s) thereof), will be voted at the Meeting, and, where a choice is specified in respect of any matter to be acted upon, will be voted or withheld from voting in accordance with the specification made on any ballot that may be called for. **In the absence of such specification, proxies in favour of management will be voted in favour of all resolutions described below. The form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice and with respect to other matters which may properly come before the Meeting.** At the time of the filing of this Circular, management knows of no such amendments, variations or other matters to come before the Meeting. However, if any other matters that are not now known to management should properly come before the Meeting, the form of proxy will be voted on such matters in accordance with the best judgment of the named proxies.

Appointment of Proxies

The persons named in the enclosed form of proxy are officers and/or directors of the Corporation. **A Shareholder desiring to appoint some other person, who need not be a Shareholder, to represent him or her at the Meeting, may do so by inserting such person's name in the blank space provided in the enclosed form of proxy or by completing another proper form of proxy and, in either case, depositing the completed and executed proxy at the offices of Marrelli Trust, at the address provided herein, not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournment(s) or postponement(s) thereof.**

A Shareholder forwarding the enclosed form of proxy may indicate the manner in which the appointee is to vote with respect to any specific item by checking the appropriate space. If the Shareholder giving the proxy wishes to confer a discretionary authority with respect to any item of business, then the space opposite the item is to be left blank. The Common Shares represented by the form of proxy submitted by a Shareholder will be voted in accordance with the directions, if any, given in the form of proxy.

To be valid, a form of proxy must be executed by a Shareholder or a Shareholder's attorney duly authorized in writing or, if the Shareholder is a body corporate, under its corporate seal or, by a duly authorized officer or attorney.

Revocation of Proxies

A proxy given pursuant to this solicitation may be revoked at any time prior to its use. A Shareholder who has given a proxy may revoke the proxy by:

- (i) completing and signing a proxy bearing a later date and depositing it at the offices of Marrelli Trust, 82 Richmond St. E, Toronto, Ontario M5C 1P1;
- (ii) depositing an instrument in writing executed by the Shareholder or by the Shareholder's attorney duly authorized in writing or, if the Shareholder is a body corporate, under its corporate seal or, by a duly authorized officer or attorney either with Marrelli Trust, 82 Richmond St. E, Toronto, Ontario M5C 1P1 at any time up to and including the last business day preceding the day of the Meeting or any adjournment(s) or postponement(s) thereof or with the Chairman of the Meeting prior to the commencement of the Meeting on the day of the Meeting or any adjournment(s) or postponement(s) thereof; or
- (iii) in any other manner permitted by law.

Such instrument will not be effective with respect to any matter on which a vote has already been cast pursuant to such proxy.

Notice to Beneficial Holders of Shares

Only registered Shareholders or proxyholders duly appointed by registered Shareholders are permitted to vote at the Meeting. Most Shareholders of the Corporation are “non-registered” shareholders because the Common Shares they own are not registered in their names but are instead registered in the name of a brokerage firm, bank or other intermediary or in the name of a clearing agency. Shareholders who do not hold their Common Shares in their own name (referred to herein as “**Beneficial Shareholders**”) should note that only registered Shareholders are entitled to vote at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in such Shareholder’s name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the Shareholder’s broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which company acts as nominee for many Canadian brokerage firms). Common Shares held by brokers (or their agents or nominees) on behalf of a broker’s client can only be voted (for or against resolutions) at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting Common Shares for the brokers’ clients. Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.

Regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of Shareholders’ meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided by the Corporation to the registered Shareholders. However, its purpose is limited to instructing the registered Shareholder (i.e. the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate the responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. (“**Broadridge**”). Broadridge typically prepares a machine-readable voting instruction form, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. A Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form to vote Common Shares directly at the Meeting. The voting instruction form must be returned to Broadridge (or instructions respecting the voting of Common Shares must be communicated to Broadridge well in advance of the Meeting) in order to have the Common Shares voted.

The Notice-and-Access Notification is being sent to both registered Shareholders and indirectly to Beneficial Shareholders. Beneficial Shareholders fall into two categories – those who object to their identity being known to the issuers of securities which they own (“**Objecting Beneficial Owners**”, or “**OBOs**”) and those who do not object to their identity being made known to the issuers of the securities they own (“**Non-Objecting Beneficial Owners**”, or “**NOBOs**”). The Corporation is sending proxy related materials directly to NOBOs and is paying for delivery by intermediaries to OBOs.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of their broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered Shareholder and vote the Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered Shareholder should enter their own names in the blank space on the proxy or voting instruction card provided to them and return the same to their broker (or the broker’s agent) in accordance with the instructions provided by such broker.

All references to Shareholders in this Circular and the accompanying form of proxy and notice of Meeting are to registered Shareholders unless specifically stated otherwise.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Other than as disclosed herein, no director or executive officer of the Corporation who has held such position at any time since the beginning of the Corporation's last financial year, each proposed nominee for election as a director of the Corporation, and associates or affiliates of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matters to be acted upon at the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The authorized share capital of the Corporation consists of an unlimited number of common shares without par value (the "**Common Shares**"). As at the date hereof, there are 109,174,709 Common Shares issued and outstanding.

Each Common Share entitles the holder thereof to one vote on all matters to be acted upon at the Meeting. The record date for the determination of Shareholders entitled to receive notice of the Meeting has been fixed at August 9, 2024 (the "**Record Date**"). All such holders of record of Common Shares on the Record Date are entitled either to attend and vote thereat in person the Common Shares held by them or, provided a completed and executed proxy shall have been delivered to the Corporation's transfer agent, Marrelli Trust, within the time specified in the Notice, to attend and to vote thereat by proxy the Common Shares held by them.

To the knowledge of the directors and executive officers of the Corporation, as of the date hereof, no person or company beneficially owns, controls or directs, directly or indirectly, voting securities of the Corporation carrying 10% or more of the voting rights attached to all outstanding Common Shares.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The purpose of this Compensation Discussion and Analysis is to provide information about the Corporation's executive compensation philosophy, objectives, and processes and to discuss compensation decisions relating to the Corporation's Executive Chairman, Chief Executive Officer, Chief Financial Officer, and, if applicable, its three most highly compensated individuals acting as, or in a like capacity as, executive officers of the Corporation (the "**NEOs**" or "**Named Executive Officers**"). The only NEOs of the Corporation during the financial year ended December 31, 2023 (the "**Last Financial Year**") were Samuel Pelaez, President, Director, Chief Executive Officer and Chief Investment Officer, and Carmelo Marrelli, the Chief Financial Officer.

Compensation Committee

The compensation committee of the Board (the "**Compensation Committee**") is currently comprised of three directors, namely David Regan (Chairman), Evelyn Foo and Jeffrey Singer, all of whom are independent within the meaning of Canadian Securities Administrator's National Instrument 58-101 – *Disclosure of Corporate Governance Practices* ("**NI 58-101**"). Mr. Singer holds an MBA degree and has over 25 years of experience in the asset management industry. Mr. Regan also holds an MBA degree and has had an extensive career in business operations, management consulting and financial services. Mrs. Foo is CA, CPA, and a financial services professional with deep and broad experience in all aspects of the asset management industry. The Company is of the opinion that these three directors' extensive and varied experience enables them to effectively judge and make decisions about the suitability of the Company's compensation policies and practices, taking into account both general market trends and best practices and the specificities of the mining industry.

The Compensation Committee's purpose is, among other things, to: (i) review and make recommendations to the Board at least annually regarding the Corporation's remuneration and compensation policies, including short and long-term incentive compensation plans and equity-based plans, bonus plans, pension plans (if any), executive stock option plans (including the Corporation's long-term performance incentive plan (the "**LTIP**") and grants, and benefit plans; (ii) have the sole authority to retain and terminate any compensation consultant to assist in the evaluation of director compensation, including sole authority to approve fees and other terms of the retention; (iii) review and approve at least annually all compensation arrangements with the senior executives of the Corporation; (iv) review and approve at least annually all compensation arrangements with the directors of the Corporation; and (v) review the executive

compensation sections disclosed in the Corporation’s management proxy circular distributed to the Shareholders in respect of the Corporations annual meetings of Shareholders.

Compensation Process and Governance

The Board relies on the knowledge and experience of the directors thereon and the members of the Compensation Committee to set appropriate levels of compensation for senior officers. Neither the Corporation nor the Board, nor the Compensation Committee currently has any contractual arrangement with any executive compensation consultant who has a role in determining or recommending the amount or form of senior officer compensation.

The Compensation Committee reviews the various elements of the NEOs’ compensation in the context of the total compensation package (including salary, consulting fees and prior awards under the Corporation’s long-term performance incentive plan) and recommends to the Board the NEOs’ compensation packages. The Compensation Committee’s recommendations regarding NEO compensation are presented to the independent members of the Board for their consideration and approval.

Principles/Objectives of the Compensation Program

The primary goal of the Corporation’s executive compensation program is to attract, motivate and retain top quality individuals at the executive level. The program is designed to ensure that the compensation provided to the Corporation’s senior officers is determined with regard to the Corporation’s business strategy and objectives and financial resources, and with the view of aligning the financial interests of the senior officers with the financial interests of the shareholders of the Corporation.

Compensation Program Design and Analysis of Compensation Decisions

Standard compensation arrangements for the Corporation’s senior officers are composed of the following elements, which are linked to the Corporation’s compensation and corporate objectives as follows:

Compensation Element	Link to Compensation Objectives	Link to Corporate Objectives
Base Salary and/or Consulting Fees	Attract and Retain	Competitive pay ensures access to skilled employees necessary to achieve corporate objectives.
Management Bonuses	Motivate, Retain and Reward	Management bonuses, which are determined as described below, motivate the CEO and Executive Chairman to increase the Company’s retained earnings year over year, thereby maintaining the Company’s financial health and increasing shareholder value in both the immediate and long term.
Compensation Securities	Motivate and Reward Align interests with shareholders	Long-term incentives motivate and reward senior officers to increase shareholder value by the achievement of long-term corporate strategies and objectives.

Performance and Compensation

The Corporation is a resource-focused merchant bank and investment company with a portfolio of publicly listed and private securities. The Company’s assets consist primarily of investments in natural resource companies in all stages of development. The compensation of senior officers is based upon portfolio performance, and indirectly, on trends in the mineral exploration and development industry as well as achievement of the Corporation’s business plans. The Board did not establish any quantifiable criteria during the Last Financial Year with respect to base compensation payable or the amount of equity compensation granted to NEOs and did not benchmark against a peer group of companies.

Base Salaries and Consulting Fees

The Corporation provides senior officers with base salaries or consulting fees which represent their minimum compensation for services rendered or expected to be rendered. NEOs' base compensation depends on the scope of their experience, responsibilities, leadership skills, performance, length of service, general industry trends and competitive practices, and the Corporation's existing financial resources. Base salaries are reviewed annually by the Compensation Committee.

Management Bonuses

Except as otherwise provided in this paragraph, the Executive Chairman and the CEO shall receive a performance bonus payment based on the increase in retained earnings for the prior fiscal year. The payment shall be made from a "Management Bonus Pool" composed of 10% of the increase in retained earnings relative to the greater of (A) the retained earnings at the end of the prior fiscal year, or (B) the highest level of retained earnings in any fiscal year of the previous 5 years, beginning in June 2021. In the event retained earnings are lower at the end of the prior fiscal year, or are below the highest level in the past five years (from June 30, 2021 onward), no bonus payments will be awarded.

Compensation Securities

The Corporation has adopted the LTIP, which was last approved by the Shareholders on July 12, 2023. Pursuant to the terms of the LTIP, in addition to the ability to award options ("**Options**") to acquire shares of the Corporation to eligible grantees, the Corporation has the availability to award deferred share units ("**DSUs**"), restricted share units ("**RSUs**"), performance share units ("**PSUs**"), and stock appreciation rights ("**SARs**"). A brief summary of the features of all five types of compensation securities (the "**Compensation Securities**") is provided below and is qualified in its entirety by the provisions of the LTIP, a copy of which is attached hereto as Schedule "B".

In determining individual grants, the Board considers the experience, responsibilities and performance of each recipient of an award under the LTIP. Previous grants are also taken into consideration during the grant process.

Stock Options

The executive officers, as well as directors, employees and consultants, are eligible to receive grants of Options at the time of employment, if applicable, and thereafter as determined by the Board. The Board believes the granting of Options creates long-term incentive, a sense of ownership and an alignment of the recipients' interests with those of the Shareholders. The granting of Options is intended to reward those executives who are responsible for the management and growth of the Corporation and to encourage such executives to develop a long-term vision for the Corporation to operate in a manner to maximize Shareholder value. By using vesting periods for Option grants, this compensation element is also designed to support long-term retention of valuable employees.

During the Last Financial Year, the Board granted 2,500,000 Stock Options.

Restricted Share Units

The executive officers, as well as directors, employees and consultants, are eligible to receive grants of RSUs, entitling the holder to receive one Common Share for each RSU, subject to restrictions as the Board may, in its sole discretion, establish in the applicable award agreement. The Board believes the granting of RSUs creates long-term incentive, a sense of ownership and an alignment of the recipients' interests with those of the Shareholders. The granting of RSUs is intended to reward those executives who are responsible for the management and growth of the Corporation and to encourage such executives to develop a long-term vision for the Corporation to operate in a manner to maximize Shareholder value. By using vesting periods for RSUs in addition to other restrictions, this compensation element is also designed to support long-term retention of valuable employees as well as provide an incentive for the achievement of specific milestones, if applicable.

No RSUs have been awarded as of the date of this Circular.

Performance Share Units

Executive officers, as well as employees and consultants, are eligible to receive grants of PSUs, entitling the holder to receive one Common Share for each PSU, subject to the achievement or attainment of specific performance criteria (“**Performance Criteria**”) within a specific period (“**Performance Cycle**”). The number of PSUs and the Performance Criteria which must be satisfied in order for the PSUs to vest and the Performance Cycle in respect of such PSUs shall be specified in the applicable award agreement. The Board believes the granting of the PSUs incentivizes the attainment of specific goals which support the overall strategies of the Corporation and creates a sense of ownership and an alignment of the recipients’ interests with those of the Shareholders. The granting of PSUs is intended to reward those executives who are responsible for the management and growth of the Corporation and to encourage such executives to develop a long-term vision for the Corporation to operate in a manner to maximize Shareholder value. By using vesting periods for PSUs in addition to other restrictions, this compensation element is also designed to support long-term retention of valuable employees as well as provide an incentive for the achievement of specific milestones, if applicable.

No PSUs have been awarded as of the date of this Circular.

Deferred Share Units

Directors are eligible to receive grants of DSUs. Directors may elect to receive any part or all of their fees payable in respect of their position as a director as DSUs. Each holder of a DSU is entitled to receive one Common Share for each DSU. The Board believes the granting of DSUs creates long-term incentive, a sense of ownership and an alignment of the recipients’ interests with those of the Shareholders. The granting of DSUs is intended to reward directors who are responsible for oversight of the management and growth of the Corporation and to encourage such directors to maintain a long-term vision for the Corporation to operate in a manner to maximize Shareholder value.

No DSUs have been awarded as of the date of this Circular.

Stock Appreciation Rights

The executive officers, as well as directors, employees and consultants, are eligible to receive grants of SARs, entitling the recipient to receive a payment in Common Shares equal to the current market price less the grant price of the SAR as determined by the Board at the time of the grant for each SAR. Notwithstanding the foregoing, the Board may, in its sole discretion, satisfy payment of the entitlement in cash rather than in Common Shares. The granting of SARs is intended to reward those executives who are responsible for the management and growth of the Corporation and to encourage such executives to develop a long-term vision of the Corporation to operate in a manner to maximize Shareholder value. By using vesting periods for SARs, this compensation element is also designed to support long-term retention of valuable employees as well as provide an incentive for the achievement of specific milestones, if applicable.

No SARs have been awarded as of the date of this Circular.

Compensation Risk Considerations

The Compensation Committee is responsible for considering, establishing and reviewing executive compensation programs, and whether the programs encourage unnecessary or excessive risk taking. The Corporation believes the programs are balanced and do not motivate unnecessary or excessive risk taking. The Corporation does not have a policy in place which prohibits NEOs or directors from purchasing financial instruments that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director. However, the Compensation Committee will continue to monitor whether such a policy should be adopted by the Corporation and provide such recommendations to the Board as needed.

Base salaries are fixed in amount and thus do not encourage risk taking. Annual incentive awards are based on various personal and company-wide achievements. Such performance goals are subjective and include achieving individual and/or corporate targets and objectives, as well as general performance in day-to-day corporate activities which would trigger the award of a bonus payment to the NEO. The determination as to whether a target has been met is ultimately

made by the Board (after receiving recommendations of the Compensation Committee) and the Board reserves the right to make positive or negative adjustments to any bonus payment if they consider them to be appropriate. Funding of the annual incentive awards is capped at the company level and the distribution of funds to the executive officers is at the discretion of the Compensation Committee.

Stock option awards are important to further align employees' interests with those of the Shareholders. The ultimate value of the awards is tied to the Corporation's stock price and since awards are staggered and subject to long-term vesting schedules, they help ensure that NEOs have significant value tied to the Corporation's long-term stock price performance.

Notes:

(1) The fair value of the stock options was estimated using Black-Scholes option pricing model on the following assumptions: share price of \$0.03, exercise price of \$0.05, risk free interest rate of 3.76%, an expected yield of 0%, an expected life of 5 years and an expected volatility of 125%. Option-pricing models require the use of highly subjective estimates and assumptions including the expected stock price volatility. Changes in the underlying assumptions can materially affect the fair value estimates and therefore, in management's opinion, existing models do not necessarily provide a reliable measure of the fair value of share- and option-based awards.

(2) Samuel Pelaez did not earn any fees in his capacity as director.

Long-Term Incentive Plan Approval

The TSX Venture Exchange (“**TSX-V**”) requires all listed companies with a 10% rolling security-based compensation plan to obtain annual shareholder approval of such a plan. Shareholders will be asked at the Meeting to vote on a resolution to approve, for the ensuing year, the LTIP, previously approved by the Shareholders on July 12, 2023.

The LTIP provides that the Board of Directors of the Corporation may from time to time, in its discretion, grant to directors, officers, employees and consultants of the Corporation, or any subsidiary of the Corporation, five types of Compensation Securities: (i) Options; (ii) DSUs; (iii) RSUs; (iv) PSUs; and (v) SARs. The LTIP provides for a floating maximum limit of 10% of the outstanding Common Shares as permitted by the policies of the TSX-V. As at the date hereof, this represents an aggregate of 10,910,621 Common Shares available under the LTIP.

Some of the key provisions of the LTIP are as follows (all capitalized terms which are not defined herein have the meaning assigned to them in the LTIP):

- i. **The aggregate maximum number of Common Shares available for issuance from treasury under the LTIP at any given time shall not exceed 10% of the outstanding Common Shares** as at the date of grant of Compensation Securities under the LTIP, subject to adjustment or increase of such number pursuant to the terms of the LTIP. Any Common Shares subject to an Award which has been granted under the LTIP and which has been cancelled, repurchased, expired or terminated in accordance with the terms of the LTIP without having been exercised will again be available under the LTIP.
- ii. The exercise price of Compensation Securities, if applicable, shall be determined by the Board at the time each Compensation Security is granted, provided that such price shall not be less than the discounted market price permitted by the Exchange.
- iii. The aggregate number of Common Shares reserved for issuance pursuant to Compensation Securities granted to insiders of the Corporation at any given time, or within a 12 month period, shall not exceed 10% of the total number of Common Shares then outstanding. The aggregate number of Common Shares reserved for issuance pursuant to Compensation Securities granted to any one person or entity within any 12 month period shall not exceed 5% of the total number of Common Shares then outstanding, unless disinterested shareholder approval is obtained.
- iv. Subject to the LTIP, the Board may determine when any Compensation Security will become exercisable and may determine that the Compensation Security will be exercisable immediately upon the date of grant, or in installments or pursuant to a vesting schedule; however, unless the Board determines otherwise, applicable Compensation Securities other than Options issued pursuant to the LTIP shall not vest earlier than the date which is one year following the date of the grant.

- v. In the event of a change of control (as defined in the LTIP), all Compensation Securities outstanding shall be immediately exercisable; however, no vesting prescribed by the TSX-V shall be removed without prior written TSX-V approval.

As of the date of this Circular, outstanding options to purchase a total of 7,650,000 Common Shares have been issued to directors, officers, employees and consultants of the Corporation and remain outstanding. As at the date hereof, the number of Common Shares remaining available for issuance under the Plan is 3,267,471.

See “*Executive Compensation – Performance and Compensation – Compensation Securities*” as well as a full copy of the LTIP attached hereto as Schedule “B”, which qualifies the foregoing summary in its entirety.

Shareholder Approval for the Plan

Shareholders will be asked to consider and, if deemed advisable, to pass an ordinary resolution approving the LTIP (the “**LTIP Resolution**”), which, to be effective, must be passed by not less than a majority of the votes cast by the holders of Common Shares present in person, or represented by proxy, at the Meeting.

The Board recommends that Shareholders vote FOR the LTIP Resolution. Unless the Shareholder has specifically instructed in the form of proxy or voting instruction form that the Common Shares represented by such proxy or voting instruction form are to be voted against the LTIP Resolution, the persons named in the proxy or voting instruction form will vote FOR the LTIP Resolution.

Other Matters

Management of the Corporation knows of no amendment, variation or other matter to come before the Meeting other than the matters referred to in the Notice of Meeting accompanying this Circular. However, if any other matter properly comes before the Meeting, the form of proxy furnished by the Corporation will be voted on such matters in accordance with the best judgment of the persons voting the proxy.

STATEMENT OF CORPORATE GOVERNANCE

Board of Directors

The Board and senior management consider good corporate governance to be central to the effective and efficient operation of the Corporation. The Board is committed to a high standard of corporate governance practices. The Board believes that this commitment is not only in the best interest of the Shareholders, but that it also promotes effective decision making at the Board level.

NI 58-101 defines an “independent director” as a director who has no direct or indirect “material relationship” with the issuer. A “material relationship” is as a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a member’s independent judgment. The Board maintains the exercise of independent supervision over management by ensuring that the majority of its directors are independent.

The Board is currently comprised of five (5) directors, being Derek Macpherson (Executive Chairman), David Regan, Jeffrey Singer, Evelyn Foo, and Samuel Pelaez. Four (4) directors are standing for re-election at the Meeting, being Derek Macpherson (Executive Chairman), Jeffrey Singer, Evelyn Foo, and Samuel Pelaez. David Regan will not stand for re-election as a director of the Corporation in the upcoming Annual General Meeting.

Messrs. Regan, Singer, and Mrs. Foo are independent within the meaning of NI 58-101. Jacob Willoughby, a new nominee to the Board, is also considered independent within the meaning of NI 58-101. Mr. Pelaez is not independent as he is an officer of the Corporation and thereby has a “material relationship” with the Corporation. Mr. Macpherson is not independent as he is an employee of the Corporation and thereby has a “material relationship” with the Corporation.

The Board believes that it functions independently of management and reviews its procedures on an ongoing basis to ensure that it is functioning independently of management. The Board meets without management present, as circumstances require. When conflicts arise, interested parties are precluded from voting on matters in which they may have an interest. In light of the suggestions contained in National Policy 58-201 – *Corporate Governance Guidelines*, the Board convenes meetings, as deemed necessary, of the independent directors, at which non-independent directors and members of management are not in attendance.

Board Diversity and Term Limits

The Corporation’s senior management and Board have varying backgrounds and expertise and were selected on the belief that the Corporation and its stakeholders would benefit from a broad range of talent and cumulative experience. The Board considers merit as the essential requirement for board and executive appointments, and as such, it has not adopted a diversity policy or any specific target number or percentage, or a range of target numbers or percentages, respecting the representation of women, Indigenous peoples, persons with disabilities, or members of visible minorities (collectively, “**members of designated groups**”) on the Board or in senior management roles.

Although the level of representation of members of designated groups is one of the many factors taken into consideration in making Board and senior management appointments, emphasis is placed on hiring or advancing the most qualified individuals. The Corporation has not adopted term limits or other mechanisms of Board renewal as it takes the view that they may result in directors who have accumulated valuable industry experience being forced to leave their position arbitrarily. The Corporation believes that directors should be assessed based on their ability to continue to make a meaningful contribution to the Corporation

As of the date of this disclosure, the members of designated groups currently holding positions on the Board or in senior management are as follows:

As of the date of disclosure, the **board of directors** of the Corporation consists of:

- A total of 5 directors
- 1 is female (20%)
- 0 are persons with disabilities (0%)
- 0 are Indigenous persons (0%)
- 3 are members of visible minorities (60%)

As of the date of disclosure, the **senior management team** of the Corporation consists of:

- A total of 3 members
- 0 are female (0%)
- 0 are persons with disabilities (0%)
- 0 are Indigenous persons (0%)
- 2 are members of visible minorities (66.7%)

Other Public Company Directorships

The following members of the Board currently hold directorships in other reporting issuers as set forth below:

Name of Director	Name of Reporting Issuer	Market
Derek Macpherson	Gold79 Mines Ltd. Omai Gold Mines Corp.	TSX-V TSX-V

Orientation and Continuing Education of Board Members

The Board, together with the Corporate Governance and Nominating Committee (the “**Nominating Committee**”) is responsible for providing a comprehensive orientation and education program for new directors which fully sets out:

- the role of the Board and its committees;

- the nature and operation of the business of the Corporation; and
- the contribution which individual directors are expected to make to the Board in terms of both time and resource commitments.

In addition, the Board, together with the Nominating Committee, is also responsible for providing continuing education opportunities to existing directors so that individual directors can maintain and enhance their abilities and ensure that their knowledge of the business of the Corporation remains current.

Ethical Business Conduct

The Board has adopted a written code of business conduct and ethics (the “**Code of Conduct**”) to encourage and promote a culture of ethical business conduct amongst the directors, officers and employees of the Corporation. Copies of the Code of Conduct are available upon written request from the Chief Executive Officer of the Corporation. The Board is responsible for ensuring compliance with the Corporation’s Code of Conduct. The Code of Conduct was adopted after the end of the Company’s financial year ended 2021, and there have been no departures from the Corporation’s Code of Conduct since its adoption.

In addition to those matters which, by law, must be approved by the Board, the approval of the Board is required for:

- the Corporation’s annual business plan and budget;
- material transactions not in the ordinary course of business; and
- transactions which are outside of the Corporation’s existing business.

To ensure the directors exercise independent judgment in considering transactions and agreements in which a director or officer has a material interest, all such matters are considered and approved by the independent directors. Any interested director would be required to declare the nature and extent of his interest and would not be entitled to vote at meetings of directors which evoke such a conflict.

The Corporation believes that it has adopted corporate governance procedures and policies which encourage ethical behaviour by the Corporation’s directors, officers and employees.

Nomination of Directors

The Nominating Committee holds the responsibility for the appointment and assessment of directors.

The Nominating Committee seeks to achieve a balance of knowledge, experience and capability among the members of the Board. When considering candidates for director, the Nominating Committee takes into account a number of factors, including the following (although candidates need not possess all of the following characteristics and not all factors are weighted equally):

- personal qualities and characteristics, accomplishments and reputation in the business community;
- current knowledge and contacts in the countries and/or communities in which the Corporation does business and in the Corporation’s industry sectors or other industries relevant to the Corporation’s business; and
- ability and willingness to commit adequate time to Board and committee matters, and be responsive to the needs of the Corporation.

The Board will periodically assess the appropriate number of directors on the Board and whether any vacancies on the Board are expected due to retirement or otherwise. If vacancies are anticipated, or otherwise arise, or the size of the Board is expanded, the Nominating Committee will consider various potential candidates for director positions. Candidates may come to the attention of the Nominating Committee through current directors or management, stockholders or other persons. These candidates will be evaluated at regular or special meeting of the Nominating

Committee, and may be considered at any point during the year.

Compensation

The Compensation Committee assists the Board in its oversight role with respect to (i) the Corporation's global human resource strategy, policies and programs, and (ii) all matters relating to the proper utilization of human resources within the Corporation, with special focus on management succession, development and compensation. The Compensation Committee is composed entirely of independent directors.

The Compensation Committee:

- reviews and makes recommendations to the Board at least annually regarding the Corporation's remuneration and compensation policies, including short and long-term incentive compensation plans and equity-based plans, bonus plans, pension plans (if any), executive stock option plans including the LTIP and grants and benefit plans;
- has sole authority to retain and terminate any compensation consultant to assist in the evaluation of director compensation, including sole authority to approve fees and other terms of the retention;
- reviews and approves at least annually all compensation arrangements with the senior executives of the Corporation;
- reviews and approves at least annually all compensation arrangements with the directors of the Corporation; and
- reviews the executive compensation sections disclosed in annual management proxy circular distributed to the shareholders in respect of the Corporation's annual meetings of shareholders.

Other Board Committees

The Board has no standing committees other than the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee.

Assessments

The Board does not consider formal assessments useful given the stage of the Corporation's business and operations. However, the chairman of the Board meets annually with each director individually, which facilitates a discussion of that director's contribution and the contribution of other directors. When needed, time is set aside at a meeting of the Board for a discussion regarding the effectiveness of the Board and its committees. If appropriate, the Board then considers procedural or substantive changes to increase the effectiveness of the Board and its committees. On an informal basis, the chairman of the Board is also responsible for reporting to the Board on areas where improvements can be made. Any agreed upon improvements required to be made are implemented and overseen by the Nominating Committee. A more formal assessment process will be instituted as, if, and when the Board considers it to be necessary.

AUDIT COMMITTEE INFORMATION

Notes:

- (1) To be considered independent, a member of the Audit Committee must not have any direct or indirect “material relationship” with the Corporation. - (2) To be considered financially literate, a member of the Committee must have the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Corporation’s financial statements.

APPENDIX “A” AUDIT COMMITTEE CHARTER

MANDATE

The Audit Committee (“Committee”) is a committee of the board of directors (“Board”) of Olive Resource Capital Inc. (“the Company”). Its primary function shall be to assist the Board in fulfilling its oversight responsibilities with respect to financial reporting and disclosure requirements, the overall maintenance of the systems of internal controls that management have established and the overall responsibility for the Company’s external and internal audit processes.

The Committee shall have the power to conduct or authorize investigations into any matter within the scope of this Charter. It may request any officer or employee of the Company, its external legal counsel or external auditor to attend a meeting of the Committee or to meet with any member(s) of the Committee.

The Committee shall be accountable to the Board. In the course of fulfilling its specific responsibilities hereunder, the Committee shall maintain an open communication between the Company’s outside auditor and the Board.

The responsibilities of a member of the Committee shall be in addition to such member’s duties as a member of the Board.

The Committee has the duty to determine whether the Company’s financial disclosures are complete, accurate, are in accordance with international financial reporting standards and fairly present the financial position and risks of the organization. The Committee should, where it deems appropriate, resolve disagreements, if any, between management and the external auditor, and review compliance with laws and regulations and the Company’s own policies.

The Committee will provide the Board with such recommendations and reports with respect to the financial disclosures of the Company as it deems advisable.

The Committee shall meet no less than four (4) times per year or more frequently if circumstances or the obligations require.

DUTIES AND RESPONSIBILITIES

The duties and responsibilities of the Committee shall be as follows:

A. Financial Reporting and Disclosure

- i. Review and discuss with management and the external auditor at the completion of the annual examination:
 - a. the Company's audited financial statements and related notes;

 - e. other matters related to the conduct of the audit, which are to be communicated to the Committee under generally accepted auditing standards.
- ii. Review and discuss with management and the external auditor at the completion of any review engagement or other examination, the Company's quarterly financial statements.

- iv. Review and discuss with management any guidance being provided to shareholders on the expected future results and financial performance of the Company and provide their recommendations on such documents to the Board.
- v. Inquire of the auditors the quality and acceptability of the Company's accounting principles, including the clarity of financial disclosure and the degree of conservatism or aggressiveness of the accounting policies and estimates.
- vi. Meet independently with the external auditor and management in separate executive sessions, as necessary or appropriate.
- vii. Ensure that management has the proper systems in place so that the Company's financial statements, financial reports and other financial information satisfy legal and regulatory requirements. Based upon discussions with the external auditor and the financial statement review, if it deems appropriate, recommend to the Board the filing of the audited annual and unaudited quarterly financial statements.
- viii. Oversee and enforce Company's public disclosure practices.

EXTERNAL AUDITOR

- i. Consider, in consultation with the external auditor, the audit scope and plan of the external auditor.
- ii. Recommend to the Board of Directors the external auditor to be nominated and review the performance of the auditor, including the lead partner of the external auditor.
- iii. Confirm with the external auditor and receive written confirmation at least once per year as to disclosure of any investigations or government enquiries, reviews or investigations of the outside auditor.

In addition, inquire of management and the external auditor about significant financial risks or exposures and the steps management has taken to minimize such risks to the Company.

OVERSIGHT FUNCTION

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate or are in accordance with IFRS and applicable rules and regulations. These are the responsibilities of management and the external auditors. The Committee, the Chairman and any members identified as having accounting or related financial expertise are members of the Board, appointed to the Committee to provide broad oversight of the financial, risk and control related activities of the Company, and are specifically not accountable or responsible for the day to day operation or performance of such activities. Although the designation of a member as having accounting or related financial expertise for disclosure purposes is based on that individual's education and experience, which that individual will bring to bear in carrying out his or her duties on the Committee, such designation does not impose on such person any duties, obligations or liability that are greater than the duties, obligations and liability imposed on such person as a member of the Committee and Board in the absence of such designation. Rather, the role of a member who is identified as having accounting or related financial expertise, like the role of all members, is to oversee the process, not to certify or guarantee the internal or external audit of the Company's financial information or public disclosure.

CHARTER REVIEW

The Committee will annually review and reassess the adequacy of this policy and submit any recommended changes to the Board for approval.

ADOPTION

This Policy was adopted by the Board on June 4, 2014.

- (a) **SHAREHOLDER APPROVAL OF PLAN.** The Company requires majority Shareholder approval of this Plan prior to the grant of any Options, DSUs, RSUs, PSUs or SARs under the Plan. Prior to receipt of Shareholder Approval for the Plan, any grant of Options, RSUs, DSUs, PSUs, or SARs will not be exercisable or binding on the Company unless and until such approval is obtained.
- (b) **AMENDMENTS AND TERMINATION OF THIS PLAN.** The Board may at any time or from time to time, in its sole and absolute discretion and without the approval of Shareholders of the Company, amend, suspend, terminate or discontinue this Plan and may amend the terms and conditions of any Awards granted hereunder, subject to (a) any required approval of any applicable regulatory authority or the Exchange, and (b) any approval of Shareholders of the Company as required by the rules of the Exchange or applicable law, provided that Shareholder approval shall not be required for the following amendments and the Board may make any changes which may include but are not limited to:
 - (i) Amendments to fix typographical errors; and
 - (ii) Amendments to clarify existing provisions of the Plan that do not have the effect of altering the scope, nature and intent of such provisions.

If this Plan is terminated, prior Awards shall remain outstanding and in effect in accordance with their applicable terms and conditions.

Notwithstanding the foregoing, the Company will require Shareholder approval to the following amendments in respect of Options and Disinterested Shareholder Approval in respect of RSUs, DSUs, PSUs and SARs:

- (i) persons eligible to be granted Awards;
- (ii) the maximum number or percentage, as the case may be, of the Shares that may be reserved under this Plan for issuance pursuant to the exercise of Awards;
- (iii) any limitations under this Plan on the number of Awards that may be granted to any one person or any category of persons (e.g., Insiders);
- (iv) the method for determining the exercise price of Options;
- (v) the maximum term of Awards; and

- (vi) the expiry and termination provisions applicable to Awards if such amendment extends the Award beyond its original fixed term.
- (c) **AMENDMENTS TO AWARDS.** The Board may waive any conditions or rights under, amend any terms of, or amend, alter, suspend, discontinue, or terminate, any Awards theretofore granted, prospectively or retroactively. No such amendment or alteration shall be made which would impair the rights of any Participant, without such Participant's consent, under any Award theretofore granted, provided that no such consent shall be required with respect to any amendment or alteration if the Board determines in its sole discretion that such amendment or alteration either (i) is required or advisable in order for the Company, this Plan or the Award to satisfy or conform to any law or regulation or to meet the requirements of any accounting standard, or (ii) is not reasonably likely to significantly diminish the benefits provided under such Award.

SECTION 7. GENERAL PROVISIONS

- (a) **NO RIGHTS TO AWARDS.** No Director, Key Employee, Consultant or other Person shall have any claim to be granted any Award under this Plan, or, having been selected to receive an Award under this Plan, to be selected to receive a future Award, and further there is no obligation for uniformity of treatment of Directors, Key Employees, Consultant or holders or beneficiaries of Awards under this Plan. The terms and conditions of Awards need not be the same with respect to each recipient.
- (b) **WITHHOLDING.** The Company shall be authorized to withhold from any Award granted or any payment due or transfer made under any Award or under this Plan the amount (in cash, Shares, other securities, or other Awards) of withholding taxes due in respect of an Award, its exercise, or any payment or transfer under such Award or under this Plan and to take such other action as may be necessary in the opinion of the Company to satisfy statutory withholding obligations for the payment of such taxes. Without in any way limiting the generality of the foregoing, whenever cash is to be paid on the redemption, exercise or vesting of an Award, the Company shall have the right to deduct from all cash payments made to a Participant any taxes required by law to be withheld with respect to such payments. Whenever Shares are to be delivered on the redemption, exercise or vesting of an Award, the Company shall have the right to deduct from any other amounts payable to the Participant any taxes required by law to be withheld with respect to such delivery of Shares, or if any payment due to the Participant is not sufficient to satisfy the withholding obligation, to require the Participant to remit to the Company in cash an amount sufficient to satisfy any taxes required by law to be withheld. At the sole discretion of the Board, a Participant may be permitted to satisfy the foregoing requirement by:
 - (i) electing to have the Company withhold from delivery Shares having a value equal to the amount of tax required to be withheld, or
 - (ii) delivering (on a form prescribed by the Company) an irrevocable direction to a securities broker approved by the Company to sell all or a portion of the Shares and to deliver to the Company from the sales proceeds an amount sufficient to pay the required withholding taxes.
- (c) **NO LIMIT ON OTHER SECURITY-BASED COMPENSATION ARRANGEMENTS.** Nothing contained in this Plan shall prevent the Company or a Subsidiary from adopting or continuing in effect other Security-Based Compensation Arrangements, and such arrangements may be either generally applicable or applicable only in specific cases.
- (d) **NO RIGHT TO EMPLOYMENT.** The grant of an Award shall not constitute an employment contract nor be construed as giving a Participant the right to be retained in the employ of the Company. Further, the Company may at any time dismiss a Participant from employment, free from any liability, or any claim under this Plan, unless otherwise expressly provided in this Plan or in any Award Agreement.
- (e) **NO RIGHT AS SHAREHOLDER.** Neither the Participant nor any representatives of a Participant's estate shall have any rights whatsoever as Shareholders in respect of any Shares covered by such Participant's

Award, until the date of issuance of a share certificate to such Participant or representatives of a Participant's estate for such Shares.

- (f) **GOVERNING LAW.** This Plan and all of the rights and obligations arising herefrom shall be interpreted and applied in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein.
- (g) **SEVERABILITY.** If any provision of this Plan or any Award is or becomes or is deemed to be invalid, illegal, or unenforceable in any jurisdiction, or as to any Person or Award, or would disqualify this Plan or any Award under any law deemed applicable by the Board, such provision shall be construed or deemed amended to conform to applicable laws, or if it cannot be so construed or deemed amended without, in the determination of the Board, materially altering the intent of this Plan or the Award, such provision shall be stricken as to such jurisdiction, Person, or Award, and the remainder of this Plan and any such Award shall remain in full force and effect.
- (h) **NO TRUST OR FUND CREATED.** Neither this Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company and a Participant or any other Person. To the extent that any Person acquires a right to receive payments from the Company pursuant to an Award, such right shall be no greater than the right of any unsecured creditor of the Company.
- (i) **NO FRACTIONAL SHARES.** No fractional Shares shall be issued or delivered pursuant to this Plan or any Award, and the Board shall determine whether cash, or other securities shall be paid or transferred in lieu of any fractional Shares, or whether such fractional Shares or any rights thereto shall be cancelled, terminated, or otherwise eliminated.
- (j) **HEADINGS.** Headings are given to the Sections and subsections of this Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of this Plan or any provision thereof.
- (k) **NO REPRESENTATION OR WARRANTY.** The Company makes no representation or warranty as to the value of any Award granted pursuant to this Plan or as to the future value of any Shares issued pursuant to any Award.
- (l) **NO REPRESENTATIONS OR COVENANTS WITH RESPECT TO TAX QUALIFICATION.** Although the Company may, in its discretion, endeavor to (i) qualify an Award for favourable Canadian tax treatment or (ii) avoid adverse tax treatment, the Company makes no representation to that effect and expressly disavows any covenant to maintain favorable or avoid unfavorable tax treatment. The Company shall be unconstrained in its corporate activities without regard to the potential negative tax impact on holders of Awards under this Plan.
- (m) **CONFLICT WITH AWARD AGREEMENT.** In the event of any inconsistency or conflict between the provisions of this Plan and an Award Agreement, the provisions of this Plan shall govern for all purposes.
- (n) **COMPLIANCE WITH LAWS.** The granting of Awards and the issuance of Shares under this Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or stock exchanges on which the Company is listed as may be required. The Company shall have no obligation to issue or deliver evidence of title for Shares issued under this Plan prior to:
 - (i) obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and
 - (ii) completion of any registration or other qualification of the Shares under any applicable national or foreign law or ruling of any governmental body that the Company determines to be necessary or advisable or at a time when any such registration or qualification is not current, has been suspended or otherwise has ceased to be effective.

The inability or impracticability of the Company to obtain or maintain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

SECTION 8. EFFECTIVE DATE OF THIS PLAN

This Plan shall become effective upon the date (the "**Effective Date**") of majority Shareholder approval given by affirmative vote of the majority of the Shares represented at the meeting of the Shareholders of the Company at which motion to approve the Plan is presented.

SECTION 9. TERM OF THIS PLAN

This Plan shall terminate automatically 10 years after the Effective Date, provided that this Plan may be terminated on any earlier date as provided in SECTION 6 hereof, or if any approvals required by the Exchange are not obtained on the terms and conditions required thereby.
